Abri-Flex Zero MO and LO

Introducing 2 new products, Abri-Flex Zero MO and LO, the wide range of Abena pull-ups now consists of Abri-Flex, Abri-Flex Special and Abri-Flex Zero.

Abri-Flex Zero MO and LO are for light to moderate incontinence, and offer superior comfort and discretion for the user.

Abri-Flex Zero MO and LO feel, and look, just like normal underwear, giving the user a feeling of freedom and dignity.

- Zero feeling of insecurity
- Zero visibility, wear it and no one will notice
- Zero printing on the pad, for complete discretion

Features

- Abena's well known super soft, noiseless and fully breathable exterior layer
- AirPlus, breathable exterior means less risk of sore skin
- Odour prevention system ensures that the user feels comfortable in any situation
- Multiple elastic threads to ensure the pad stays in place
- High cut ensures total freedom of movement

The perfect solution for:

- the active person who demands quality, security and discretion
- persons with light to moderate incontinence where an easy to wear pull-up is the optimum solution

Less waste

Choosing a product which is as small as possible but as large as necessary, not only means a better every day for the wearer/user - it also means less waste and less CO2, resulting in a positive outcome for the environment.
