

# NEW! Abri-Flex Zero

Introducing 2 new products, Abri-Flex Zero M0 and L0. The wide range of Abena pull-ups now consists of Abri-Flex, Abri-Flex Special and Abri-Flex Zero.

Abri-Flex Zero M0 and L0 are for light to moderate incontinence, and offer superior comfort and discretion for the user.

Abri-Flex Zero M0 and L0 feel, and look, just like normal underwear, giving the user a feeling of freedom and dignity.

- Zero feeling of insecurity
- Zero visibility, wear it and no one will notice
- Zero printing on the pad, for complete discretion

## Features

- Abena's well known super soft, noiseless and fully breathable exterior layer
- AirPlus, breathable exterior means less risk of sore skin
- Odour prevention system ensures that the user feels comfortable in any situation
- Multiple elastic threads to ensure the pad stays in place
- High cut ensures total freedom of movement

## The perfect solution for:

- The active person who demands quality, security and discretion
- Persons with light to moderate incontinence where an easy to wear pull-up is the optimum solution

## Less waste

Choosing a product which is as small as possible but as large as necessary, not only means a more comfortable day for the wearer/user - it also means less waste and less CO2, resulting in a positive outcome for the environment.

### ABRI-FLEX ZERO

Code	Description	Colour Code	Size cm	Absorption Capacity ml*	Units per Pack/Ctn
SA41080	Abri-Flex Zero M0	Blue	80-120	800	14/112
SA41081	Abri-Flex Zero L0	Green	100-145	800	14/112

\*ISO 11948-1 (Rothwell)

Abri-Flex is available in 4 different ranges, in the following sizes:

#### PLUS 1

#### EXTRA 3

#### SPECIAL

#### ZERO

Abri-Flex products can be worn just like normal underwear, enhancing the users feeling of freedom and dignity.

Features of the breathable Air Plus textile-feel backsheet include:

- Reduced risk of skin problems
- Less discomfort due to sweating
- No embarrassing rustling when you move
- Optimum security against leakage
